

JANE "GOLDIE" WINN, MSS

Author • Speaker • Life Coach

KEY FOCUS:
Helping People Get "Unstuck"

Jane "Goldie" Winn, MSS, has a Master's Degree in Social Work, is a Certified Life Coach, and a Client Advocate at Palm Beach Women's Clinic in Boca Raton, FL. "Goldie" is an author and speaker who generously shares her wisdom, knowledge and experience on a variety of topics born out of her own life story, which she published in her book, *Rainbow in the Night: A Journey of Redemption*.

Topics close to her heart are depression, physical and emotional abuse, 1970s hippie lifestyle, healing after abortion, marital challenges, loss of hopes and dreams, and a dramatic conversion as a Jewish woman coming to believe and accept Yeshua (Jesus) as her personal Lord and Savior in 1974. One of the most exciting aspects of Winn's story is a desire to be totally freed from her painful past that involved total surrender to the Lord. She loves talking about the true freedom and joy that is possible when allowing the Lord full reign in our lives. As a Life Coach, "Goldie" enjoys helping her clients get "unstuck" and uses the analogy of getting the train out of the station and on to the next stop with a focus on the present and moving away from their painful past. This often involves reinventing or reimagining their lives as they move forward.

Goldie has been a guest on several programs, such as Moody Radio; Dr. James Kennedy; Faith Today w/ Taken Network; The Brooklyn Cafe Show
