When I read the surrender journal, I feel that it goes very deep and helps me where I am struggling in the present. It goes deep and it's not superficial. It's like a healing balm. It helps me when I'm thinking negative thoughts to focus on God's truth. It's a deep and honest surrender. I highly recommend this journal to those who are hurting and having difficulty trusting the Lord. It gives me hope that as I surrender the Lord will meet me in my place of struggle.

I am so thankful for you Goldie. Your devotional has ministered to my heart in such a beautiful way and prepared me for my surrender session. With your faith, wisdom and gentle encouragement, I was able to go deeper and allow God to heal areas that I wasn't aware of. During my session I forgave my mom and since then our relationship has improved significantly. Thank you for allowing God to use you to bless others. Te amo amiga bella.

This Healing Power of Surrender has been instrumental in helping me to surrender and release anxiety I had been holding on to for far too long. Each day feels like a reset—grounding, honest, and exactly what I need in the moment. I highly recommend if you're trying to quiet your mind and lean into faith over fear.

I scheduled two private sessions with Goldie for a time of personal surrender. Goldie shared about how surrender is like a huge boulder blocking us from moving forward and experiencing true freedom in our lives. Thankfully in both instances I was able to totally surrender to the Lord and the boulder was finally removed from my life after many years.

After that, I bought Goldie's ebook, ***The Healing Power of Surrender: A 30-Day Devotional Journey from a Painful Past to Peace and Purpose***. I was immediately drawn in and loved reading it every day along with the beautiful Scripture for the day. I loved the layout, and the journal itself is beautiful. It was very helpful to have a reflection, prayer, action step, and declaration for each day. It is so well written, and breaking it down each day makes the process not feel so big and overwhelming.

I am still in the process of working through stones, rocks, and pebbles after the big boulder was finally broken up. This devotional keeps me intentional and helps to stay in the mindset of daily surrender. I highly recommend everyone to get this devotional and begin their own journey of surrender.

Life can leave us weary.

We often carry burdens from past hurts, broken relationships, disappointments, fears, and unanswered questions. Many of us have spent years trying to control situations that are beyond our ability to fix. The harder we hold on, the heavier the burden becomes.

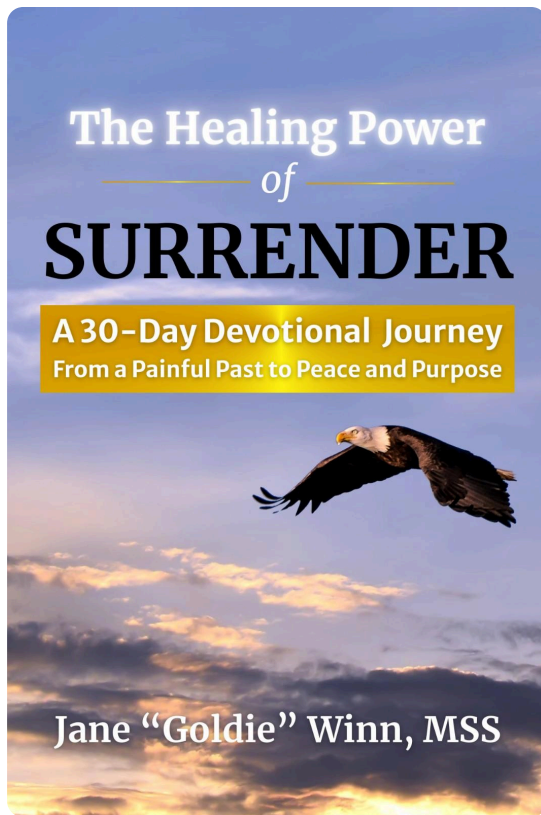

The Healing Power of Surrender: A 30-Day Devotional Journey from a Painful Past to Peace and Purpose will guide you through a 30-day journey of Scriptures, empowering messages, reflections, prayers, action steps, and declarations of faith that lead to real transformation and a deeper relationship with the Lord. Surrendering our struggles to God opens the door to peace, restoration, and spiritual renewal.

For Anyone Carrying Heavy Burdens

Whether you're facing loss, uncertainty, anxiety, brokenness, or simply feeling overwhelmed by life's challenges, *The Healing Power of Surrender* offers hope rooted in Scripture. God's invitation remains the same today as it has always been:

"Cast all your anxiety on Him because He cares for you." (1 Peter 5:7)

When we surrender what we cannot control, we make room for God to work in ways we never imagined.

This devotional journey is for you if:

- You want to grow deeper in your trust and faith in God and experience His presence daily.

RETREATS & WORKSHOPS WITH GOLDIE

Goldie is available to facilitate retreats and workshops teaching about the 10 steps to surrender. Every participant will have the opportunity for a time of private surrender and afterwards will share with the rest of the group followed by prayers of surrender. It is always a very powerful time. People experience amazing breakthroughs, healing, and freedom to fully dedicate their lives to fulfilling the calling the Lord has given them!

What is holding us back?

Goldie likens it to having a huge boulder that blocks us from surrendering our lives totally to the Lord! Think about the huge and heavy stone that was rolled away by the angels on Resurrection Day for Yeshua (Jesus). As soon as that stone was rolled away, a glorious light lit up the tomb that once was dark and closed off to the world. If we totally surrender and allow the Lord to remove that huge bolder from our hearts, His glorious light and presence will flood in and we will experience total transformation!

“He whom the Son sets free is free indeed!” John 8:36
